Reference is made to the announcement of the Company dated 22 December 2015 in relation to the agency agreement entered into between Zhuhai Essex Medipharma, Parkson Pharmaceutical and Wanxin Pharmaceutical.

The Board is pleased to announce that on 29 November 2017 (after trading hours), Zhuhai Essex Medipharma, an indirect wholly-owned subsidiary of the Company, entered into the Second Supplemental Agreement with Parkson Pharmaceutical and Wanxin Pharmaceutical to supplement and vary the terms of the Existing Agency Agreement.

The principal terms of the Second Supplemental Agreement are summarised below:

REASONS FOR AND BENEFITS OF ENTERING INTO THE SECOND SUPPLEMENTAL AGREEMENT

The Group is principally engaged in the manufacturing, selling, marketing and distribution of biopharmaceutical products. The term of the appointment of Zhuhai Essex Medipharma as the exclusive agent for the distribution and marketing of the Products will be extended for nearly 9 years, expiring on 5 September 2031, by payment of additional licence fees in the amount of RMB35,000,000 (equivalent to approximately HK\$41,366,000) after the execution of the Second Supplemental Agreement. The extended term covers the patent period of the Products and enables the Group to plan on longer-term visibility for the marketing and selling of the Products.

The Directors (including the independent non-executive Directors) are of the view that the terms of the Second Supplemental Agreement and the transactions contemplated thereunder are fair and reasonable and in the best interests of the Company and its shareholders as a whole.
